ABOUT US

At Nasker Homes, we believe every door is more than just an entry—it's a statement of style, security, and quality. Based in 3rd Parklands, Nairobi, Kenya, we specialize in supplying premium imported doors that combine durability with elegant design, transforming both residential and commercial spaces.

Our product range includes interior and exterior doors made from top-quality materials such as laminate, PVC, WPC, and solid wood. Whether you're seeking a modern minimalist finish or a classic wood aesthetic, we offer options to match every taste and project requirement.

OUR MISSION

To deliver superior-quality door solutions that enhance the safety, style, and functionality of every space we serve, while upholding integrity, innovation, and customer satisfaction.

OUR FUTURE VISION.

As we continue to grow, Nasker Doors is preparing to introduce customized door solutions—tailored to fit unique sizes, colors, materials, and finishes. Our goal is to provide flexibility, personalization, and unmatched craftsmanship to meet every customer's vision.

To bring this vision to life, we are preparing to open our own manufacturing factory, allowing us to control every stage of production—from design to finishing. This will ensure faster delivery times, higher quality standards, and the ability to serve both local and regional markets with innovation and precision.

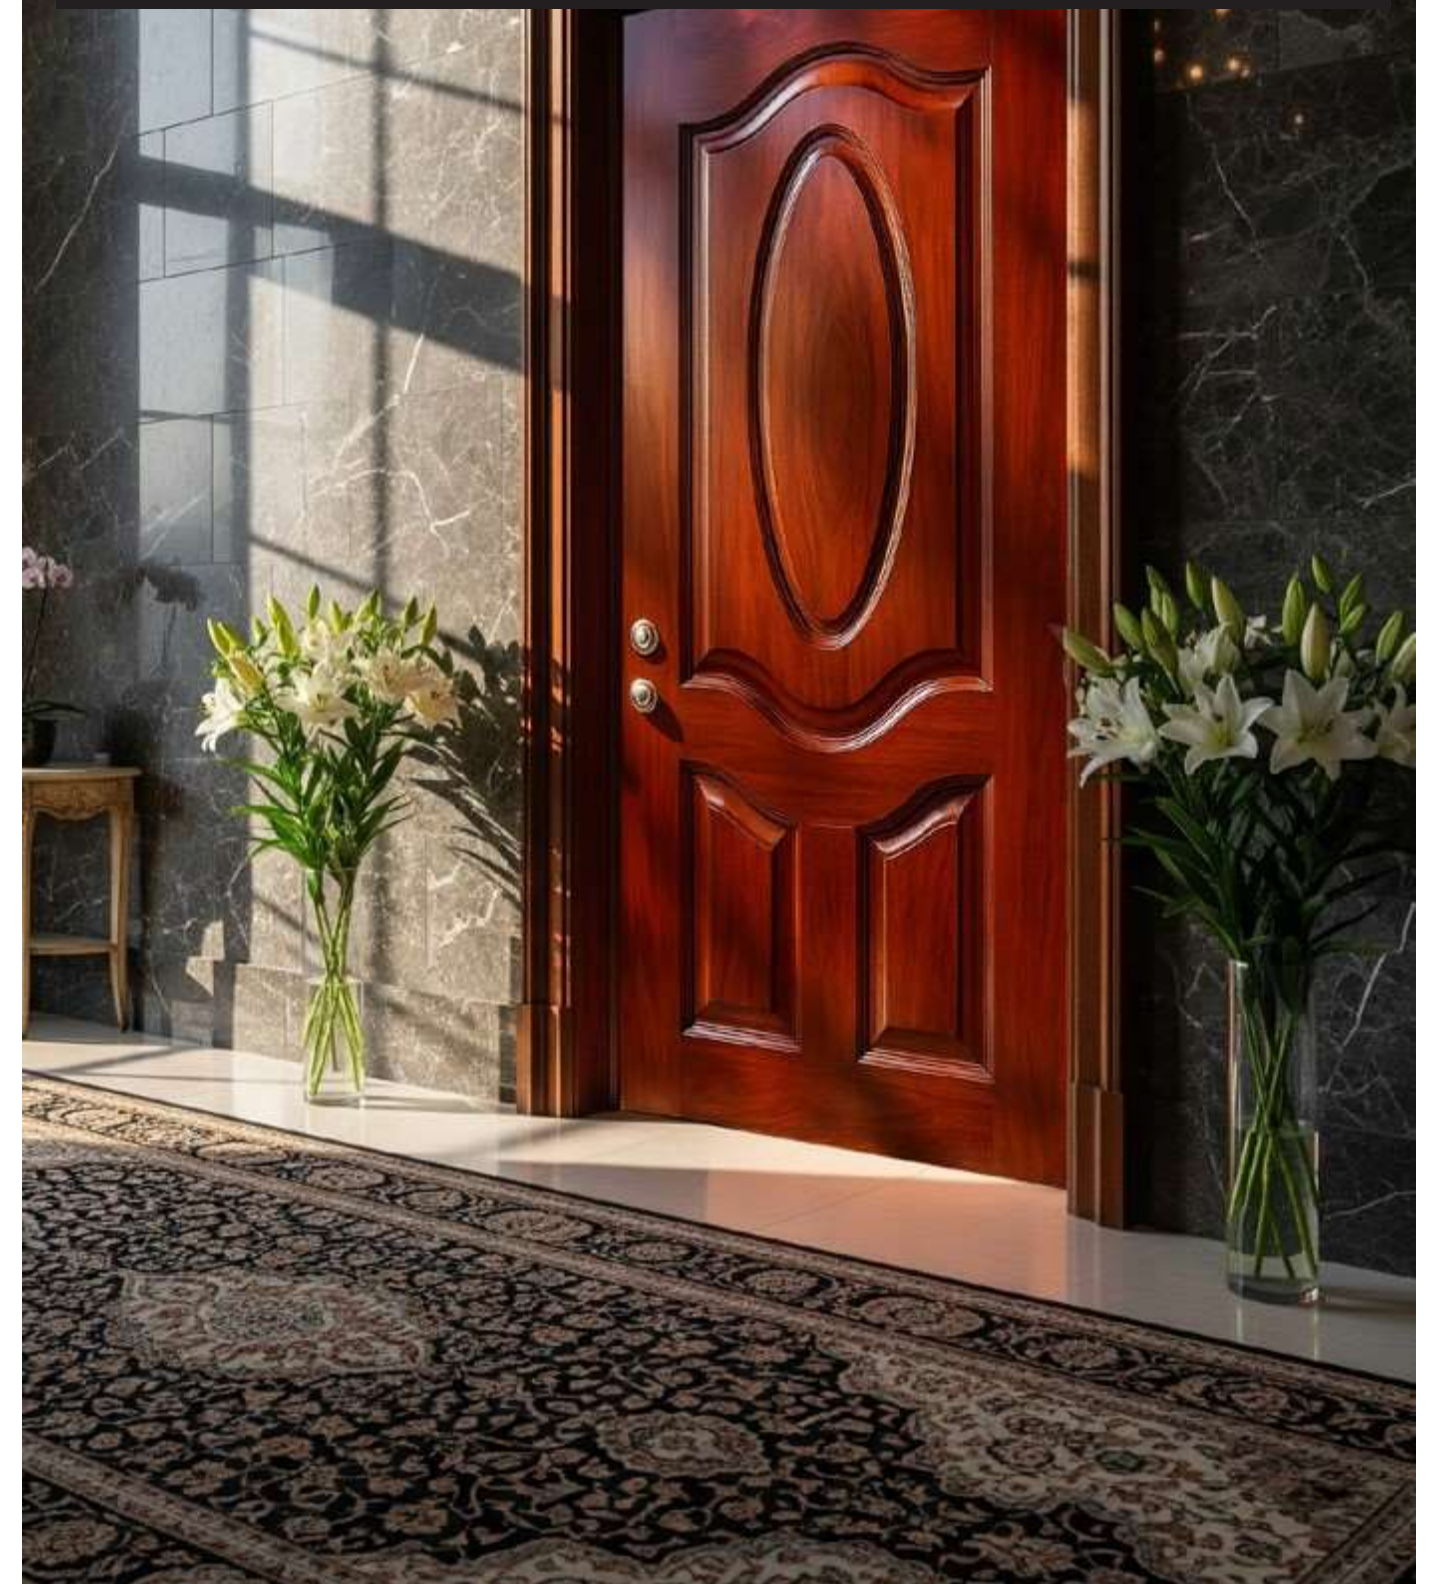

Let us open the door to excellence, one space at a time.

WE ARE COMMITTED TO:

- Delivering exceptional customer service.
- Maintaining high product and design standards.
- Offering doors that are waterproof, noise-resistant, and long-lasting.
- Supporting homeowners, developers, and interior designers with reliable, stylish solutions.
